## Vocabulary

c'est [seh] = it is    quel jour [kehljoor] = which day    **Nous sommes** [noosohm] = we are (form.)  
on est [õneh] = we are    **aujourd'hui** [ohjoord ↘ ee] = today

C'est quel jour aujourd'hui?    On est quel jour aujourd'hui?

What day is it today?

What day are we today?

Word order for the date =

Day / number of the month / month

! The only time an **ordinal number** (first, second, third, fourth, etc) is used is on the first of each month. Otherwise **simply use numbers** (deux, trois, etc) E.g mardi **premier octobre** [pruhmi☺]
